I am dying, Saggi, dying.  
Show the crimson life-life fast,  
Gather on the evening shade,  
Let life's blood and how this art  
Lips to the great heart-arch

Gather on the evening shade,

Best People on Earth

THE ELKS INVAD THE CITY

Maysville Lodge was formally Launched Last Night.

THE VISITORS, WORK AND BANQUET

Maysville last night belonged to the "Best People on Earth," for the Elks of Cynthiana, Lexington, Paris and Richmond, supplemented by a few scattering ones from other ballistics, swooped down upon the devoted city at 5:30 p. m., coming by a special train over the L. and N.

They were met at the Station by local committees and members, where an address of welcome was delivered by Mr. Thomas A. Davis, who, on behalf of the authorities, handed over the golden key of the city to Exalted Ruler Bailey D. Berry of the Cynthiana Lodge, who accepted it in a gracious speech.

The procession then formed, headed by the Cynthiana and Augusta Bands, and the visitors and local members, to the number of about 150, marched to the New Central, where headquarters had been established.

After the "glad hand" had been extended all around, and after the travel-worn brethren had refreshed the inner man, the work of instituting Maysville Lodge No. 704 was begun in the Hall of the Knights of the Golden Eagle, the march to the Hall being accompanied by the grandest display of fireworks ever seen in the city.

Although the Hall was taxed to its utmost capacity, the work was impressively done; and at its conclusion at 12:45 this morning Maysville Lodge was declared duly instituted, with these charter members:

## A FLORAL PARADE.

Memphis Outdid Herself in Honor of the Guests of the Confederate Reunion.

### REPORT OF HISTORICAL COMMITTEE.

With a Row of "Ayes" the Delegates Re-Elected Gen. John B. Gordon Commander-in-Chief.

The Convention Adjourned After Deciding to Meet in Dallas, Tex., in 1902-A Grand Ball in the Evening.

Memphis, Tenn., May 30.—A beautiful sight was the great floral parade with which the citizens of Memphis Wednesday afternoon honored their guests of the Confederate reunion. Over a hundred vehicles, which were masses of flowers, were in line, and all the citizens of Memphis who witnessed the flower parade given last year in honor of Adm. Dewey agreed that the event of Wednesday far surpassed the first attempt.

At the afternoon session the report of the historical committee was unanimously adopted. It stated that the chief, and probably only, impediment to the preparation and reception of a history impartially dealing with both sides of the war is prejudice. It said: "Probably the generation now passing away will never completely outgrow the prejudice engendered by the war, and contentions and mis-

## SONS OF VETERANS.

Judge R. B. Haughton, of St. Louis, Was Elected as Commander-in-Chief.

Memphis, Tenn., May 30.—The Sons of Confederate Veterans closed their convention in one of the stormiest sessions in the history of the organization. Nearly the entire afternoon was consumed in the election of a commander-in-chief. The flower parade was scheduled for the same time as the election of officers, and an effort to postpone the election was bitterly opposed by the friends of Judge R. B. Haughton, of St. Louis, who, after several hours of wrangling, was elected over Edwin P. Cox, of Richmond, Va. James Mann, chairman of the memorial committee, reported that \$700 had been collected for the monument which the Sons of Veterans propose to erect in honor of the Confederate women. He made a strong plea for support, and subscriptions to the amount of \$5,000 were raised. This makes \$8,700 pledged to the committee. The convention adjourned sine die, to meet in Dallas, Tex., in 1902.

### THE GRANT STATUE.

Patriotic Women Placed a Wreath at the Feet of the Figure in the Rotunda of the Capitol.

Washington, May 30.—The Grant statue in the rotunda of the Capitol was the scene of an affecting ceremony Wednesday when the patriotic women of the U. S. Grant circle and neighbors went to the Capitol. The women placed a wreath at the feet of the figure and sang "America" after a few appropriate remarks by several members of the Grand Army

## LONG TRIP ENDED.

The President and His Party Arrived at the National Capital Thursday Morning.

### THEY WERE ABSENT THIRTY-TWO DAYS

Mrs. McKinley Given an Opportunity to See Her Sister at Canton by a Short Stop.

Many of the Stations Along the Line of the Road Through Ohio Were Decorated With American Flags.

Washington, May 30.—When the president and his party ended the long trip across the continent upon their arrival here Thursday morning they were gone 32 days and traveled approximately 6,675 miles. The last day of the homeward journey was a ride across the president's native state—Ohio. Only four stops were made, the longest at Canton, the president's home town, where the train remained for 20 minutes to give Mrs. McKinley an opportunity to see her sister, Mrs. M. C. Barber, and her niece, Miss Ida Barber, many of the president's old friends and neighbors were at the station. Judge Day, the former secretary of state; John C. Demmer, Judge Baldwin and Mayor Robertson came aboard the Olympia, but did not see Mrs. McKinley. Her sister was with her until the train left, and her niece remained aboard. The latter comes to Washington and with her sister, Miss Mary Barber, who accompanied the party to the Pacific coast, will be the guest of Mrs. McKinley at the white house until she is able to return to Canton. Many of the stations along the line of the road through Ohio were decorated with American flags.

**Brief Stop at Canton.**  
At Lima, the first stop in the state, the school children were given a half-hour to permit them to go to the depot to see the president. Mrs. McKinley had a very comfortable day. It had been raining in Ohio for several days, and there was no dust or heat to make the journey oppressive. The brief visit of her sister at Canton seemed to brighten Mrs. McKinley greatly. The train arrived at Pittsburgh at 7:30 p. m. and left for Washington 30 minutes later. It reached Washington at 7:30 p. m. Thursday morning.

The reception at Pittsburgh was devoid of all excitement. The good-sized crowd that gathered at the station evidently desired to disturb Mrs. McKinley as little as possible. When the president appeared on the rear platform as the train pulled out, the cheer became a shout. It is probable that after a month in Washington the president and Mrs. McKinley will go to Canton, where they will spend the major portion of the summer.

### STRIKE ORDERED.

Efforts to Settle Differences Between Chicago Union Machinists and Employes Failed.

Chicago, May 30.—After arbitration had failed to settle the differences between Chicago union machinists and their employers, a long-threatened general strike in the machine trade of Chicago and vicinity was ordered Wednesday night by the executive board of the local body of the Machinists' union. The total breakdown of the attempts at arbitration came after a five hours' session between the joint arbitration board of the union and the manufacturers' association.

The issue up for arbitration was the question for fixing a wage per hour for the new nine-hour day, inaugurated May 30, in place of the ten-hour day then abrogated. Efforts at effecting a compromise were made by both sides, but to no purpose, and the strike order followed. The walkout will effect over 7,000 men.

### INDIAN TROUBLES.

Col. Jesse M. Lee, Commanding the Ft. Leavenworth Post, Ordered to Ft. Washakie, Wyo.

Fort Leavenworth, Kan., May 30.—Under hurry orders from the headquarters of the army, Col. Jesse M. Lee, commanding this post, left on the first of June for Ft. Washakie, for Denver, and upon his arrival is to report for instructions to Gen. Merriam, commanding the department of Colorado. The first destination of Col. Lee is Fort Washakie, Wyo., where trouble is brewing among the Shoshones and Arapahoes, who live upon the Washakie reservation.

### Promotions.

Washington, May 30.—Secretary Root has decided that all of the second lieutenants of cavalry who were such on February 2 last and all of the second lieutenants of infantry who were such at the date of organization of volunteer army in 1899, shall be at once promoted to the rank of first lieutenants.

### Ship Overboard.

Havana, May 30.—Bids for the securing and plying of Havana were opened Wednesday. Only one bid was received, and this was from Oronoke, MacArthur & Day, of New York. The amount specified was \$13,347.01. The bid was referred to the city engineer.

## THE RAILROAD MACHINISTS.

Only By the Request of a Three-Fourths Majority of All the Men Can a Strike Be Ordered.

Toronto, Ont., May 30.—"Reports from all parts of the United States are favorable—those from the Pacific coast better than I expected," said President O'Connell, of the International Machinists' association, Wednesday. "Already 130 firms in New York city have granted the men's demands, and the remainder, it is said, will fall into line soon."

President O'Connell denies a report that he has power to order out railway machinists. Only by the request of a three-fourths majority of all the men can a strike be ordered. Referring to a telegraphic dispatch of Wednesday morning, he said he had already named a committee of three to meet the National Metal Trades "club," he added, "any settlement by local representatives must be along national lines."

### M'GOVERN-HERRERA FIGHT.

Terry Allowed Herrera to Stay Five Rounds, and Then He Put Him Out.

San Francisco, May 30.—Terry McGovern had an easy victory over Aurelio Herrera Wednesday night at Mechanics' pavilion. There was no action at any time of the game when McGovern, in order to get the beneficial effects and to avoid imitations, please remember the full name of the Company printed on the front of every package. CALIFORNIA FIG SYRUP CO. SAN FRANCISCO, CALIF. LOUISVILLE, KY. NEW YORK, N. Y. For sale by all Druggists.—Price 50c per bottle.

While McGovern rained blows on his man at all times, it was not until the beginning of the fifth that he put his strength and weight behind them. The end came quickly after that.

## RIVER NEWS.

The Courier was up for Pomeroy last night.

There is a good rise in the Ohio at present.

The Indiana is due down tonight from Pomeroy.

The Keystone State will pass up tonight for Pittsburgh.

The Henry M. Stanley will pass up tonight for Charleston.

Over 2,000,000 bushels of coal left Pittsburgh yesterday for the South.

The towboat Beaver passed Evansville Tuesday morning for Cincinnati. She is expected there Saturday.

The Beaver has in her four barges which contain in the neighborhood of 3,000,000 feet. This is reputed to be about the largest tow ever brought to that city from below our barges.

The steamer F. C. Gunter of St. Louis, which was recently bought by the Eagle Packet Company of that place, was sold to Kansas City parties on Monday.

The price for which she was bought was not made public. The steamer left St. Louis for Kansas City, where she will be entered in the excursion business this summer.

The People's Coal Company has let a contract to Edward Howard of Jeffersonville, Ind., for the construction of a towboat. It will be about the same size as the Tornado and will be equipped with engines having 17½-inch cylinders and a six-foot stroke. It is said that the same company has specifications out for two more towboats. One of the boats will be about the same size and power as the Joseph B. Williams.

### WORK BEING PUSHED.

Progress Made on the Cincinnati, Dayton and Mayville Railway.

The management of the newly incorporated Cincinnati, Dayton and Mayville Railway are hurrying on with all vigor the plans for the early construction and operation of that line.

The surveys are now being finished, and in another week the contracts for the construction work will be let.

There will be some eighty miles of road, but the character of the country through which the line is to run makes the construction easy, and places the cost at a low figure.

Within the past few days the President of the road, E. D. Smith, the banker of Blanchester, has arranged for the underwriting of the \$750,000 bonds that will be issued to pay for building and equipping the road.

The matter of the Cincinnati terminus is now being considered by the Directors, who think that they will be able to run their cars direct to Fountain Square. Aberdeen will be the other end of the line.

Mr. Fred W. Bauer, job printer of 4 East Second street, says:

"For a year or more I had considerable pain in my back. The sections from the kidneys were dark and there was some inflammation of the bladder evidenced by a sensation of scalding. Doan's Kidney Pills came to my knowledge and I procured them at J. James Wood & Son's drug store, corner of West Second and Market sts. The treatment soon restored the kidney secretions to natural color, ended the inflammation and banished the pain from my back. If a cold or any other cause should bring on a recurrence I know now what to use."
